## Job Opportunity: Architectural Assistant (part 2)

2 days a week / Freelance / remote working

Applications by 23rd May 2021, to start work ASAP in June 2021

### **About Grain Architecture:**

We are a small but growing design practice, specialising in the use of low-carbon natural materials, working across the south of England and Wales. We started in 2015 and are currently working on a range of projects including new-build houses, retrofit of existing, and various community projects, all of which primarily use natural materials, such as timber, straw, hempcrete, wood fibre, lime, clay, etc.

### **Roles & Responsibilities:**

- Preparing project drawings for concept, planning, building regulations, construction and specifications
- Communicating with planners/engineers/consultants etc
- Assisting in delivery of projects
- Supporting and integrating into the team

### **Required Skills & Experience:**

- Some understanding of natural material (vapour-open) building detailin
- CAD software / 3D modelling software (preferably VectorWorks)
- Adobe Photoshop & InDesign
- Good hand-drawing skills
- Experience working on small to medium projects
- ARB Part 2 or similar, with relevant experience

### **We're looking for someone who:**

- wants to be part of our team, with potential for longer-term work
- isn't afraid of responsibility or speaking up
- shows initiative and takes on tasks that need doing
- asks for help if they need it
- listens carefully to instruction
- has a good eye for detail and accuracy
- always respects others

### **Salary & Package:**

Freelance work for 2 days per week, pay starting at £14/hr
